

## **What information do you want to gain from your team meeting?**

1. my child's current placement as per ministry placements
2. withdrawal time per day/week by the SERT/Program Support for direct instruction
3. Changes in level of support (withdrawal time per week)
4. Any new educational assessment done by school
5. remedial programs that are in place for instruction; i.e. reading, Math
6. Changes to subject areas being modified/accommodated
7. new accommodations that need to be added as your child progresses through the grades; i. e. assistive technology?
8. In which courses is my child working towards a credit (secondary level)?
9. Level of communication between SERT/Program Support and classroom teacher to help set up special programs or accommodations
10. Amount of classroom computer/assistive technology time available to my child
